

# Find some peace with our classroom mandala

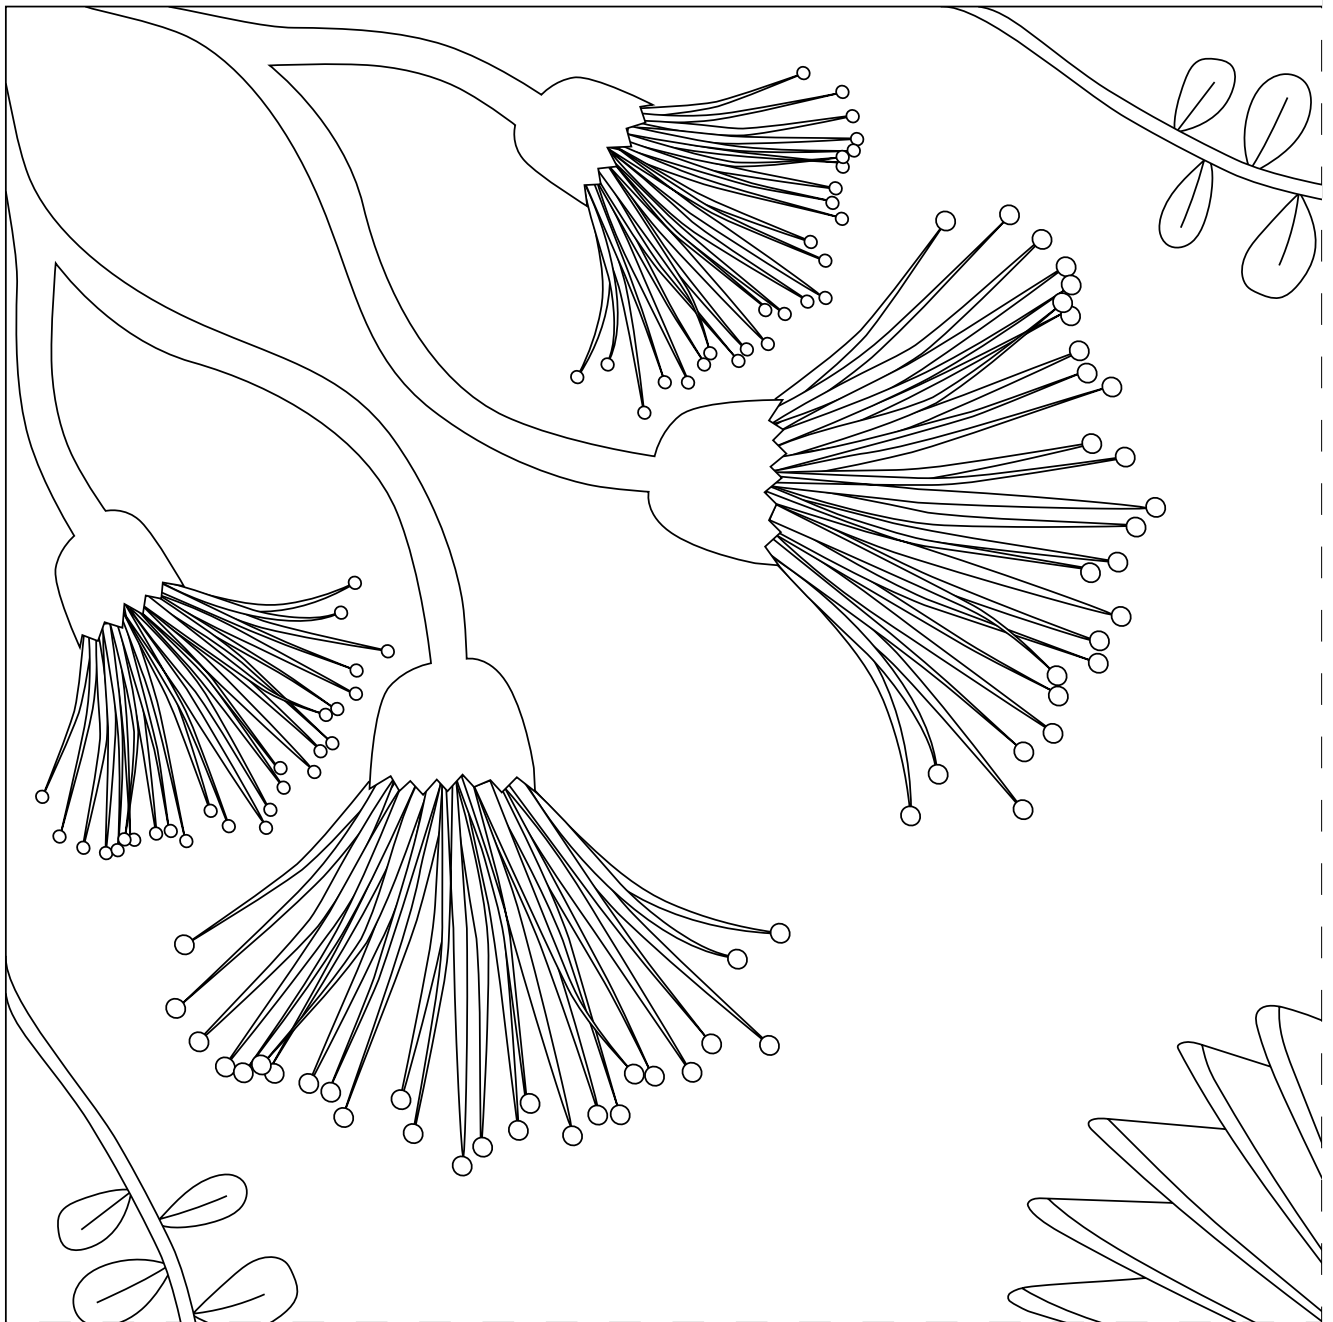

Here's our super mandala – all you need to do is print off each of the 25 pages, ask tamariki to colour it in, and voilà.... fit the pieces together to create a wall display.

# Find your flow with mandala

Colour in your section, once you're done, cut out the square along the dotted line.

Then piece the mandala together with your classmates!

# Find your flow with mandala

Colour in your section, once you're done, cut out the square along the dotted line.

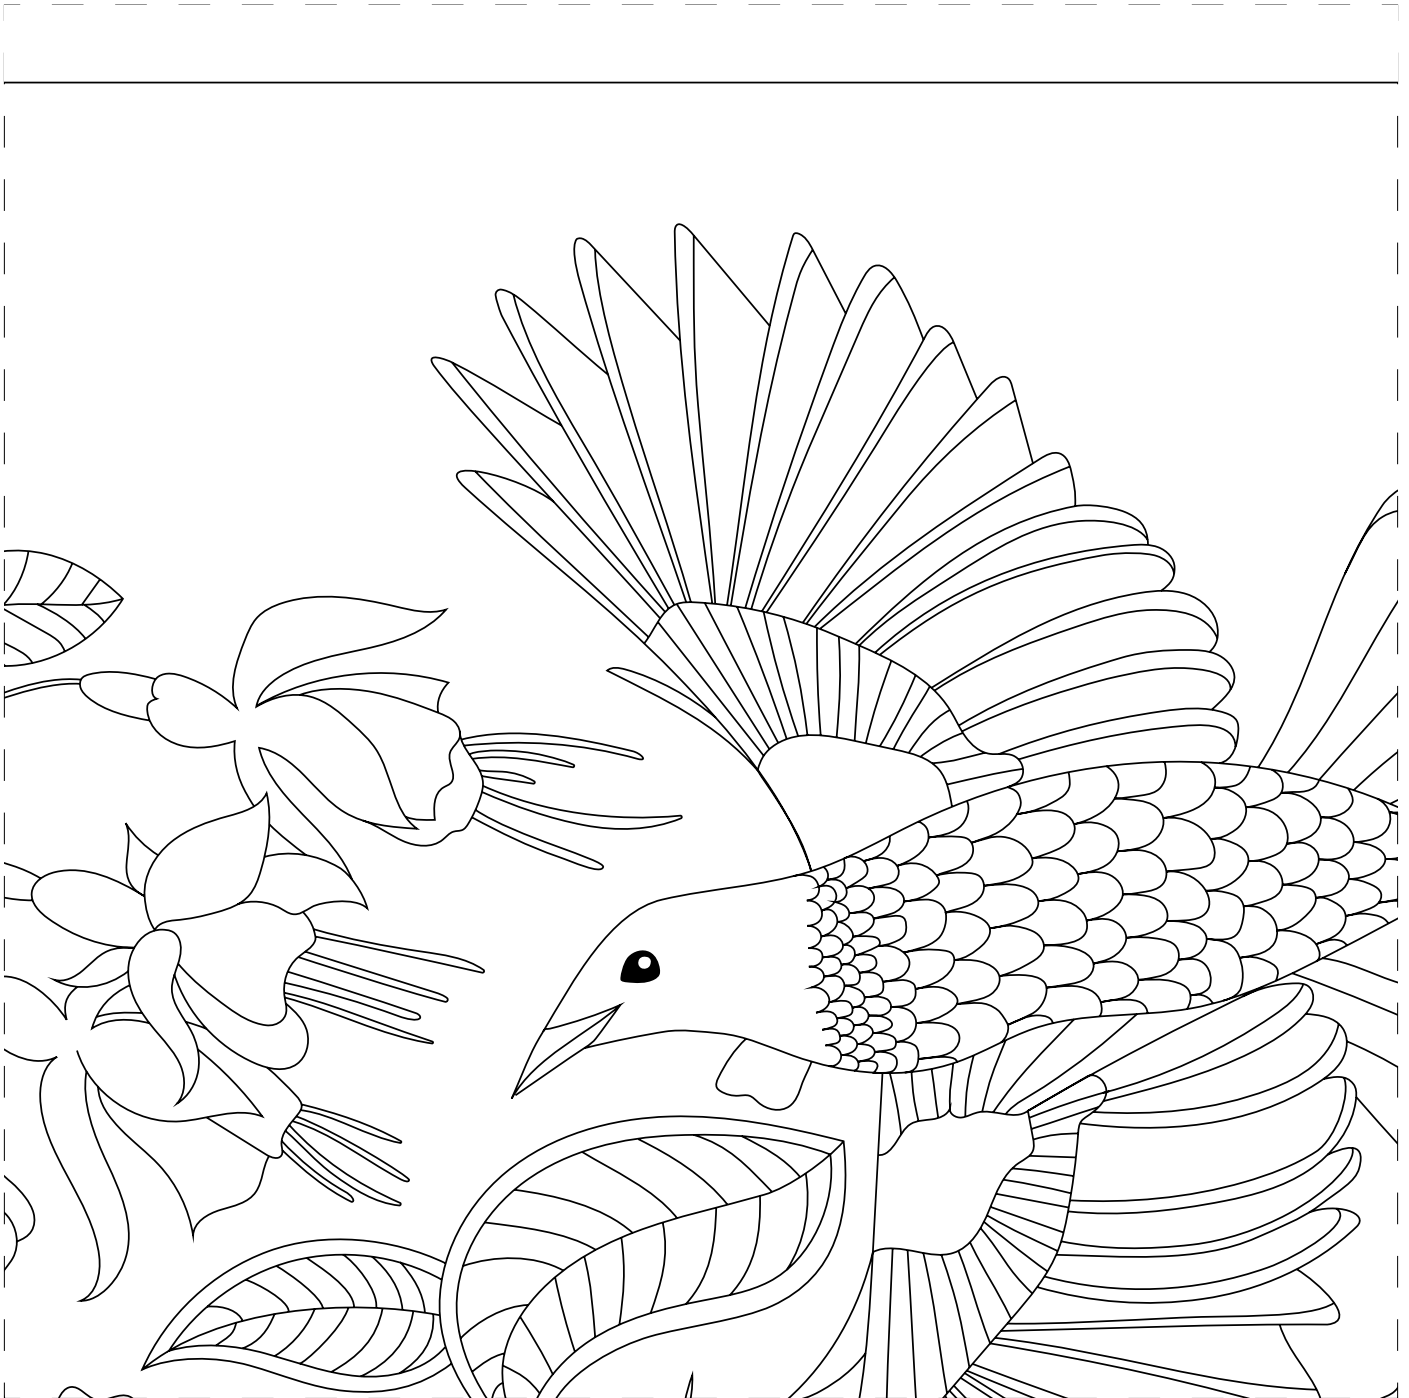

Then piece the mandala together with your classmates!

# Find your flow with mandala

Colour in your section, once you're done, cut out the square along the dotted line.
