

# Collaboratively create a Whare Tapa Whā wall display

Here's our super mosaic – all you need to do is print off each of the 39 pages on A3 paper, ask tamariki to colour it in, and voilà.... fit the pieces together to create a wall display.

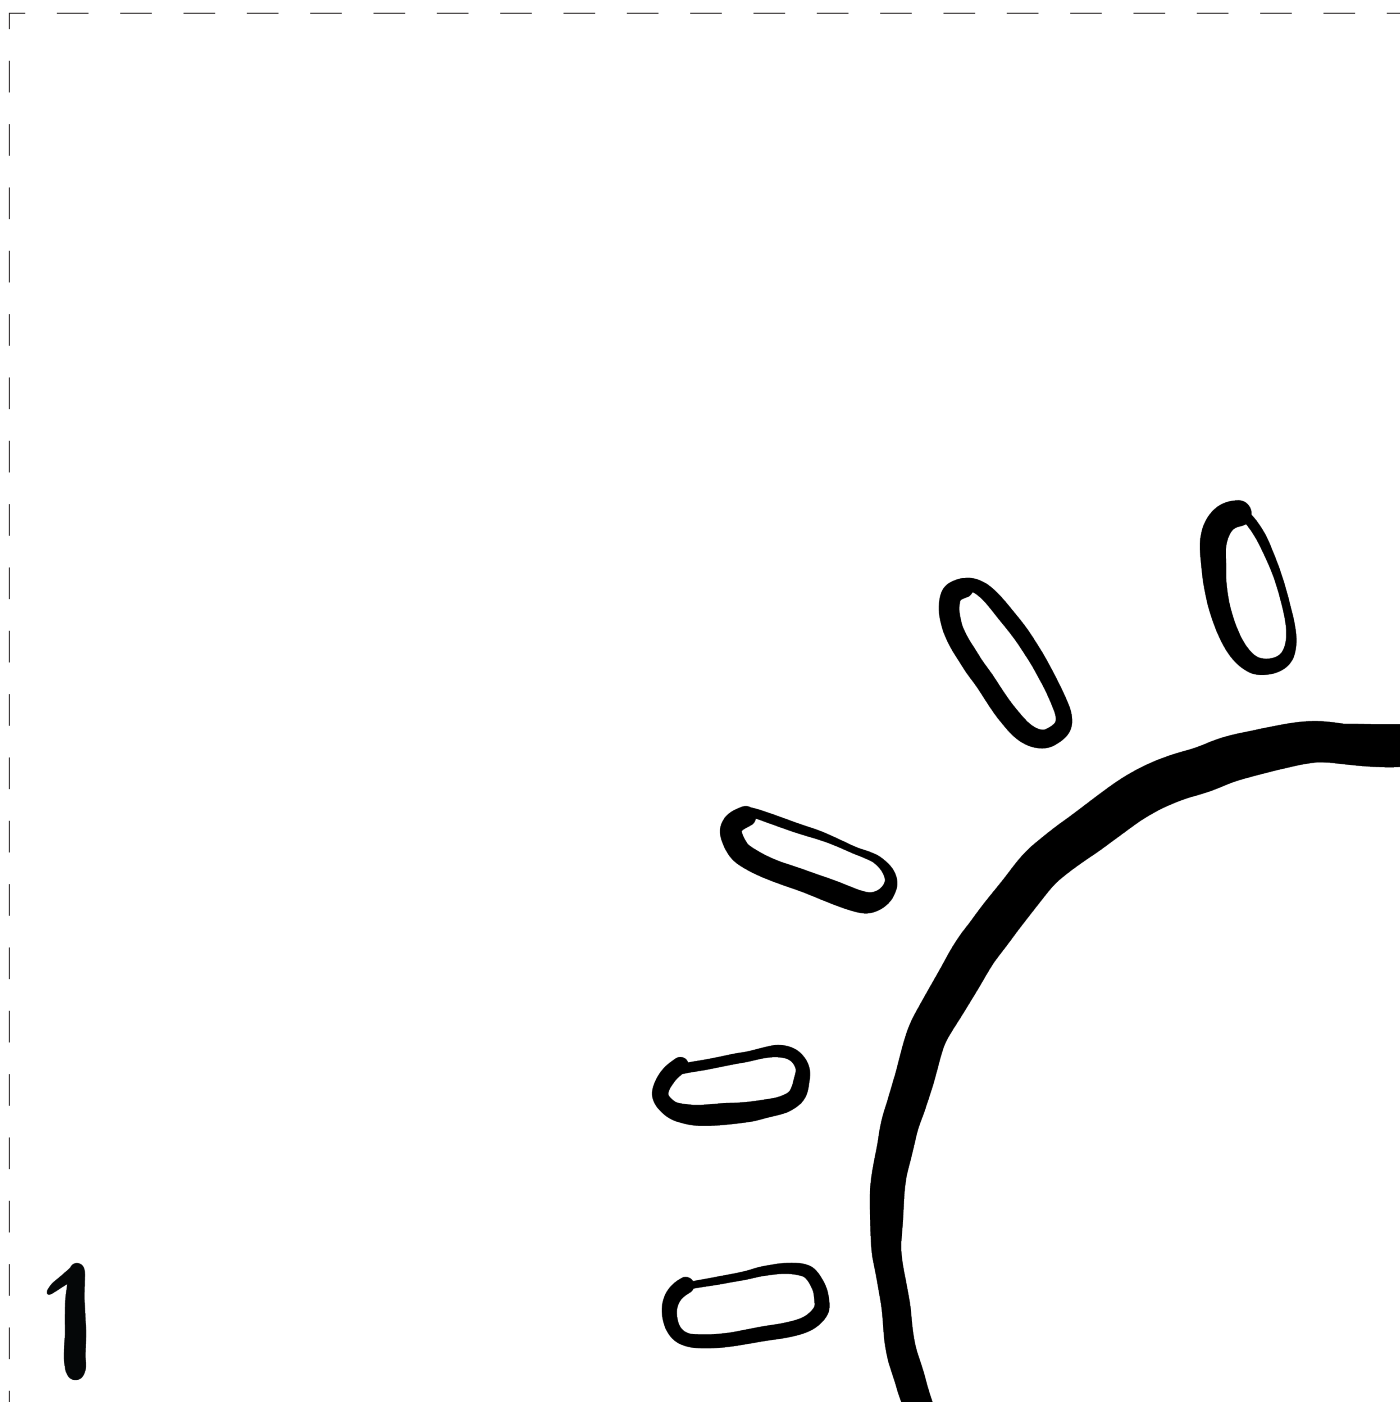

Once pieced together the mosaic's dimensions will be 2.25 metres wide and 1.25 metres high.

# Create a Whare Tapa Whā wall display

Colour in your section, once you're done, cut out the square along the dotted line.

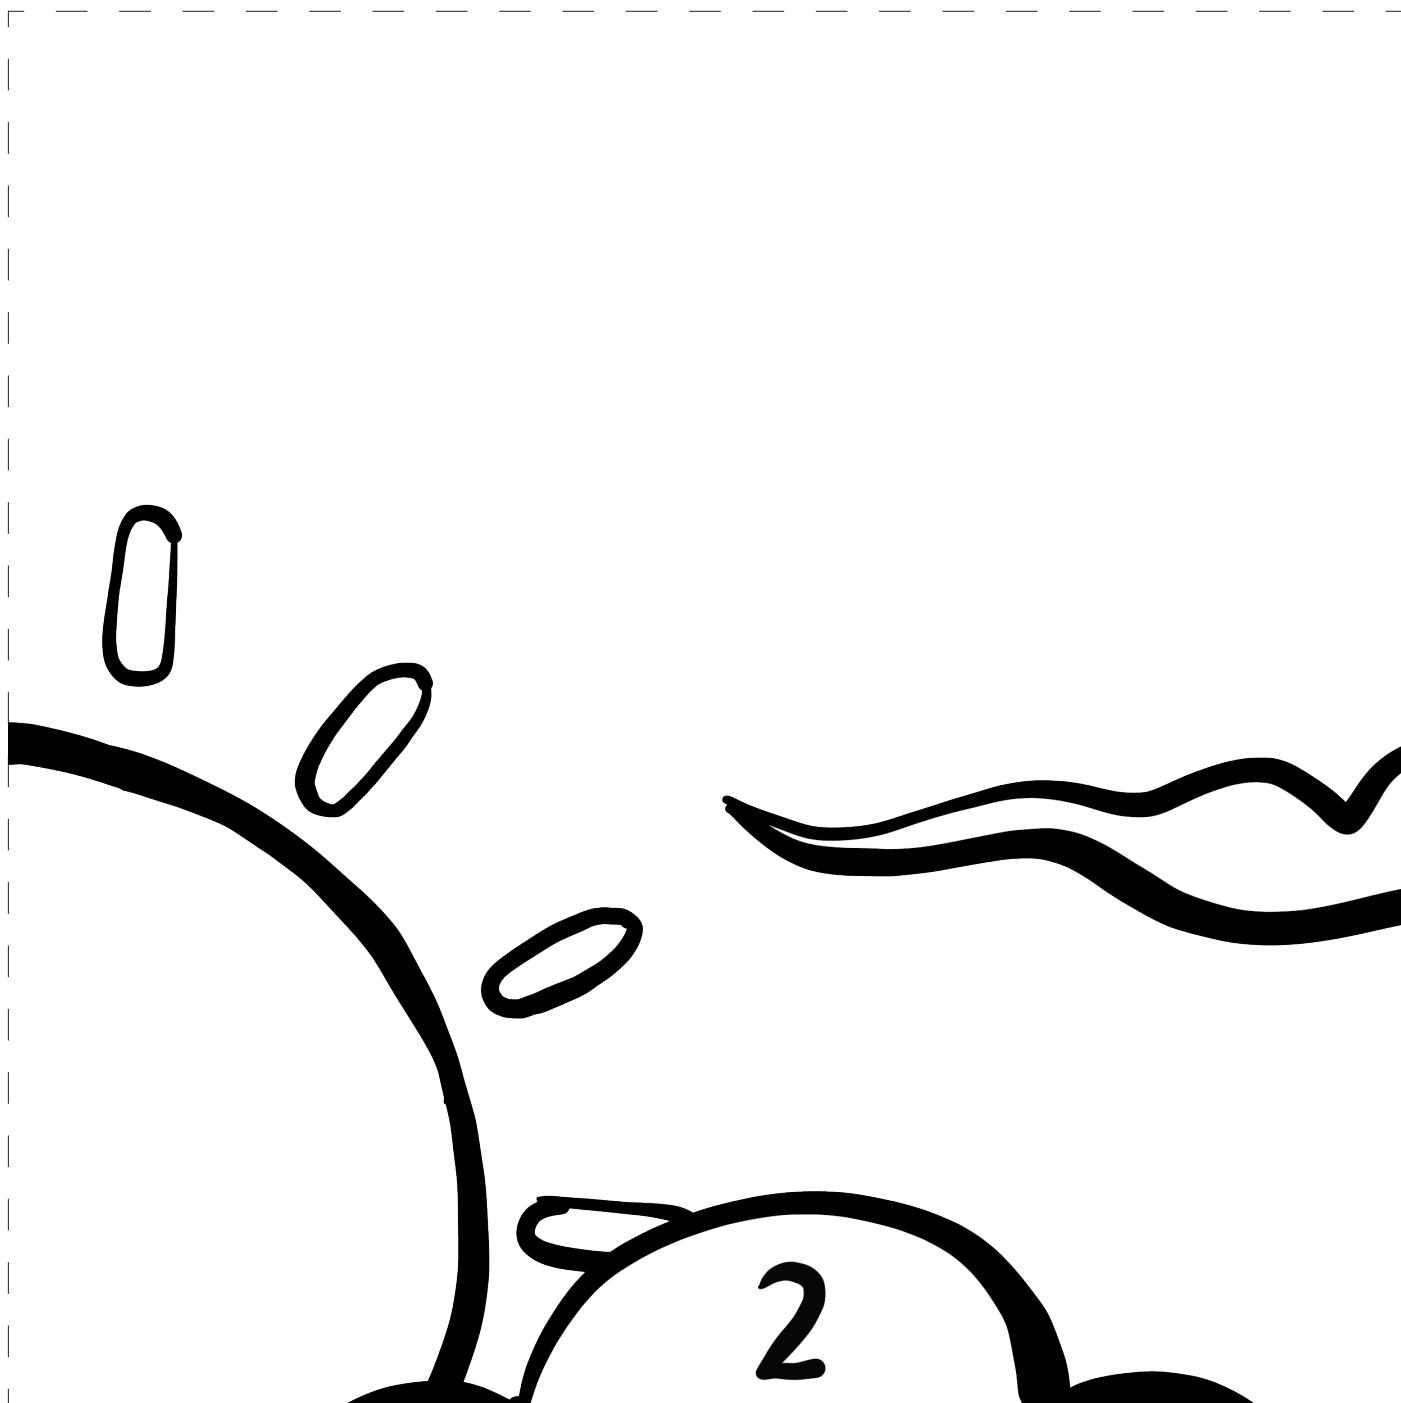

Then piece the mosaic together with your classmates!
