

# KĀRI KAI

Prompts to help make kōrero around kai time all the more meaningful!

<p>What's your all-time favourite kai?</p>	<p>What's a good thing that happened to you today?</p>	<p>What's something you're looking forward to this week?</p>
<p>Who is someone you're grateful for today?</p>	<p>What's something new you tried today?</p>	
<p>If you were going to have the best day ever, what would it look like?</p>	<p>Iconic kai - what food do you love that has a whakapapa story behind it?</p>	

**Sparklers**

If you could have anyone join us for kai, who would it be and why?

What's a fun thing you did today? What made it fun?

What's a great kai memory you have?

Tell me about a moment today that made you smile or laugh.

Tell me about something tricky you faced today.

What's something kind you did today?

Kāri Kai

Next time there's kai,  
there's kōrero!
