

Journey to the future!

Imagine that you are a time traveller. You travel 20 years into the future to visit a school, where a culture of kindness has been created with great success!

You decide to write down all the things you notice about this future school, so that when you travel back to the present-day, you can share the experience with your friends and classmates.

1. WHAT DOES THE CULTURE OF KINDNESS LOOK LIKE?

.....

You might think about the design of the classrooms and playground, the people you see, the looks on students faces, etc)...

2. WHAT DOES THE CULTURE OF KINDNESS SOUND LIKE?

.....

You might describe the way tamariki speak to each other, the words teachers use, the different sounds you hear such as singing, other languages, laughter...

Journey to the future!

3. WHAT DOES THE CULTURE OF KINDNESS FEEL LIKE?

You might cover how you see people treating each other, the ways differences of opinions are managed, and how people express themselves.

4. WHAT 2-3 THINGS FROM THIS FUTURE SCHOOL WOULD YOU LIKE TO ENCOURAGE OR DO MORE, WHEN YOU RETURNED TO THE PRESENT DAY?
